## Wine Club

### The Fine Print

As a Rancho Ponte Wine Club Member, you agree that the Club will bill you credit card for each shipment (plus sales tax if shipped in Texas). Your credit card will also be charged for shipping and handling. All charges will be processed one week prior to shipment and Will Call announcement. Wine Club shipments will be about \$75 each.

**You may cancel your membership in writing at any time after you have received or picked up your second shipment.** All Wine Club members who have selected Will Call as their delivery option MUST pick up their wine within 30 days of Will Call announcement or shipment will be sent to your billing address with cost billed to your credit card.

**A daytime shipping address with someone 21 or older who can sign for delivery is required.** Please notify Rancho Ponte of any address changes before wine is billed, as we cannot be responsible for misdirected wines. There will be three attempts to deliver. Rancho Ponte is not responsible for additional shipping charges.

**Ship to a business if possible.** Shipments to a business address are delivered faster and safer than to a home address. Ground shippers will not deliver to a PO Box.
